

# PINK SPIRES CRABAPPLE

*Malus 'Pink Spires'*

**Height:** 15-20'                      **Spread:** 12'

**Location:** Zone 2, sun

**Shape:** Narrow, upright branching

**Foliage:** Bronze-green, copper in fall

**Notes:** Lavender-pink flower in spring, followed by persistent maroon fruit. Foliage emerges purplish and turns to bronze-green. Slow growing and very hardy.
