

# FALL FIESTA SUGAR MAPLE

*Acer saccharum 'Bailsta'*

**Height:** 50-75'      **Spread:** 50-60'

**Location:** Zone 4, sun.

**Shape:** Upright, rounded.

**Foliage:** Glossy green, fall color is yellow, orange, and red.

**Notes:** Rapid grower with a full and symmetrical branching habit. This selection is resistant to sun scald and frost cracks, and the leathery foliage is resistant to leaf tatter and leafhopper damage. Exhibits more orange and red fall color than other cultivars.
